v.	:	
BILLINGS AREA DIRECTOR	:	June 14, 1977

It appearing that the final provision of the Board's order in the above-captioned appeals entered June 2, 1977, which directs the Crow Agency Superintendent to request of the Crow Tribe that certain items be included on the agenda of the next meeting of the Crow Tribal Council, is unnecessary under present circumstances from both practical and legal considerations, IT IS ORDERED that:

The June 2, 1977 decision of the Board of Indian Appeals be, and the same is hereby AMENDED to exclude from the order of said decision the provision directing the Crow Agency Superintendent to request of the Crow Tribe that certain matters be added to the agenda of the next meeting of the Crow Tribal Council. However, nothing herein ordered precludes the Crow Tribal Council from considering the items previously enumerated in the final provision of the June 2, 1977 order in accordance with its own rules and procedures at any time.

This amended order is final for the Department.
