Appellee	:	July 31, 1985

On February 7, 1985, the Board of Indian Appeals (Board) received a notice of appeal from Sanguine, Ltd. (appellant). Appellant sought review by the Board of an October 1, 1984, decision of the Anadarko Area Director, Bureau of Indian Affairs (BIA) (appellee), in which appellee found that Tribal Lease #14-20-206-61170 and Communitization Agreement #C40T063-I, between appellant and the Wichita and Affiliated Tribes, had expired. Appellant sought review by the Board under the provisions of 25 CFR 2.19. On May 24, 1985, after initial briefing on jurisdiction, the Board denied appellee's motion to remand and requested the administrative record. The record was received on June 24, 1985.

On July 31, 1985, the Board received a motion from appellant seeking to withdraw the appeal. Appellant states that although it still does not agree with the legal theory used by appellee in reaching the October 1, 1984, decision, subsequent events have convinced it that the results of the decision should not be challenged.

Therefore, pursuant to the authority delegated to the Board of Indian Appeals by the Secretary of the Interior, 43 CFR 4.1, and the appellant's motion, this appeal is dismissed with prejudice.
