--	---

On August 6, 1984, the Board of Indian Appeals (Board) received a notice of appeal from the Five Sandoval Indian Pueblos, Inc. (appellant). Appellant sought review of a June 4, 1984, decision issued by the Deputy Assistant Secretary--Indian Affairs (Operations) (appellee) that denied its application for fiscal year 1984 grant funds under the Indian Child Welfare Act, 25 U.S.C. §§ 1931-1934 (1982). Appellant stated that its notice of appeal was filed in order to preserve its appeal rights, even though the parties were engaged in settlement negotiations.

By order dated August 15, 1984, the Board acknowledged receipt of the appeal and stayed the normal briefing schedule pending the outcome of the settlement negotiations. On November 8, 1984, the Board received a stipulation of dismissal from appellant. Appellant stated that the parties had reached a full and complete settlement and sought dismissal of the appeal with prejudice. The record in this matter was completed on November 26, 1984, with the filing of a copy of the settlement agreement.

Therefore, pursuant to the authority delegated to the Board of Indian Appeals by the Secretary of the Interior, 43 CFR 4.1, this appeal is dismissed with prejudice.
