v.	:	Docket Nos. IBIA 01-9-A
	:	IBIA 01-10-A
ACTING NORTHWEST REGIONAL	:	
DIRECTOR, BUREAU OF INDIAN	:	
AFFAIRS,	:	
Appellee	:	November 13, 2000

These are appeals from September 8, 2000, decisions of the Acting Northwest Regional Director, Bureau of Indian Affairs (Regional Director), assessing amounts for past use and occupancy of a portion of Nez Perce Allotment 1417. Prior to submitting the administrative record(s), the Regional Director informed the Board that the assessments in both decisions were erroneous. He requested remand so that he might issue corrected decisions. On November 1, 2000, the Board vacated the Regional Director's decisions and remanded the cases to him. 35 IBIA 222.

Appellants have filed a motion for reconsideration of the Board's November 1, 2000, order. Attached to their motion are several filings concerning these appeals. They seek reinstatement of the appeals so that the Board might consider those filings.

Given the fact that the Regional Director has conceded that his decisions were erroneous, it would clearly be a waste of the Board's time, as well as that of the parties, to reinstate these appeals for the purpose of addressing Appellants' filings. If, after the Regional Director issues new decisions, Appellants decide to file new appeals, and if the issues raised in their present filings are relevant to the new appeals, Appellants will have ample opportunity to raise those issues again.

Pursuant to the authority delegated to the Board of Indian Appeals by the Secretary of the Interior, 43 C.F.R. § 4.1, Appellants' motion to reconsider is denied.
