ORDER

Appellant timely appealed from an October 9, 2014, decommissioning order issued by the Bureau of Safety and Environmental Enforcement (BSEE). BSEE ordered appellant to decommission wells and facilities on former offshore oil and gas lease OCS-G 17151, High Island Block 198.

Because the parties sought to settle this matter, the Board removed this appeal from our active docket and tolled all filing deadlines to facilitate settlement.¹ The parties now represent that they have reached a settlement. Appellant therefore moves to withdraw its appeal. Based on the parties' representations, we grant appellant's motion to withdraw its appeal.²

Accordingly, pursuant to the authority delegated to the Board of Land Appeals by the Secretary of the Interior,³ we dismiss this appeal from our docket.
