ORDER

Appellant appealed from three November 15, 2015, notices of incidents of noncompliance (INCs) issued by the Bureau of Safety and Environmental Enforcement (BSEE). BSEE issued the INCs because appellant purportedly did not comply with certain performance and production safety standards while operating its production facility located on Federal offshore oil and gas lease G-01317.

On March 11, 2016, counsel for appellant filed with the Board a Motion to Withdraw Appeal (Motion). Counsel seeks to dismiss the appeal. Counsel did not provide any reasons for filing the Motion. See 43 C.F.R. § 4.407(a). Nevertheless, counsel has clearly indicated appellant no longer wishes to pursue the appeal. Based on counsel's representation, the Motion is granted. *Id.* § 4.407(c).

Accordingly, pursuant to the authority delegated to the Board of Land Appeals by the Secretary of the Interior, 43 C.F.R. § 4.1, appellant's Motion is granted and the matter is dismissed from the Board's docket.
