

UNITED STATES
v.
HENRIETTA BUNKOWSKI AND ANDREW JULIUS BUNKOWSKI

IBLA 70-77 (Supp.)

Decided October 17, 1973

SUPPLEMENTAL OPINION BY MR. RITVO

It has come to our attention that the text of the opinion in United States v. Bunkowski, 5 IBLA 102, 79 I.D. 43 (1972), lists only seven claims, although eight were involved in the contest, initial decision, and appeal.

The omission was inadvertent. The decision was intended to apply to all eight of the claims. Therefore the following corrections are made in the decision.

In the first paragraph of the text of the opinion on page 106 the word "seven" is corrected to read "eight".

The second paragraph on page 106 is changed to read:

Of the claims involved in this case, the Enterprize (Nevada 062291) is located in sec. 2, T. 15 N., R. 20 E., M.D.M., Ormisby County, Nevada, the Gypsite Placer (Nevada 062290) in sec. 25 and 36, T. 16 N., R. 20 E., and the War Bond, Gypsite, Gypsite Extensions 1-4, (Nevada 062289) in sec. 31, T. 16 N., R. 21 E., M.D.M., Lyon County, Nevada.

In the next paragraph, on page 107, the first word is changed to "Seven."

On page 122 the fourth word of the first full paragraph is changed to "eight."
